 daniele.giudici@lambriana.it

Professional Profile

Daniele is the Executive Director at Lambriana Foundation and a Board Member at Italian Council of Foundations (Assifero). He brings 13 years of experience in community development, corporate governance, asset management and strategic partnership in Corporate and Charity organizations. His interests are focused on community philanthropy, collective impact, and financial sustainability strategy.

Daniele has a deep vast experience in organizational start-up and development, revenue growth, company rationalization and restructuring, team building and public relations. Daniele speaks frequently on leadership, community building and engagement, Vital Signs initiative, and investment strategy. Over the course of his career, Daniele has worked on a wide range of domestic and international issues, including righting educational disparities, imprisoned rights, financial and economic literacy, and improving the communities in which they live.

Daniele is Vice Chair at Nord Milano Community Foundation (greater area of North Milan) and mentor at Cariplo Foundation for the Community Foundations activities. Daniele also provides strategic and evaluation support to the Greater Varese Area Community Foundation, the Ticino Olona Community Foundation, the Credito Valtellinese Banking Group Foundation and, previously, at the Allianz Group Foundation, increasing the impact of their programmes and investments.

Daniele has also a proven record in fundraising as Chief of Sponsorship at the 7th World Meeting of Families Congress (2011-2012), and at the Papal Official visit in Milan (2017) having supervised the legal and ethical contract negotiation of sponsorship contracts.

Holding a MSC from Bocconi University (Milan) and Fellowship at the Graduate Center of New York, USA (Centre on Philanthropy and Civil Society), He recently received the Global Fellowship at the Chinese Global Institute of Philanthropy in Beijing.

Actually, He is CEO at Radio Marconi, a greater area of Milan broadcast radio.
